During the Reiki 2 Training you will:

- Have the opportunity for the protocols and practices of Reiki 1 to be reinforced.
- Limited class size to enable 1 on 1 distance practice and coaching. There will be only 2 students to allow for personalized support and coaching during the distance reiki practice.
- Receive a manual full of detailed protocols for Reiki 2, illustrated descriptions of sacred symbols, instruction on how to ethically and comfortably provide distant reiki sessions and further support for sharing reiki with yourself and others.
- Experience a second attunement connecting you to the power of Reiki which is said to be four times the strength of Reiki 1.
- Be taught how to utilize the three sacred symbols to compliment your reiki and to access healing through space, time and distance.
- Learn more about how to crystals, chakras and auras work with reiki.
- Be invited to participate in a private Facebook group made up of your class participants for mutual support while learning the art of Reiki together.
- Support via the Facebook page for the entirety of the Reiki 2 self cleanse with daily inspiration, brainstorming, sharing of tips and tricks to make your reiki connection bloom.
